BINARY SOFTWARE LICENSE AGREEMENT
(Maintenance Included)

TECHNICAL SYSTEMS CONSULTANTS, INC., (hereinafter referred to as Licensor), for and in consideration of the terms and conditions herein set forth and for a one-time license fee hereby grants to Licensee, and Licensee accepts, a personal, non-transferable and non-exclusive license to use the binary software programs named below (hereinafter referred to as licensed programs) subject to the following terms and conditions:

LICENSE: The licensed programs are supplied by Licensor solely for Licensee's internal business purposes for use on a single designated CPU. A separate license is required for each CPU on which the licensed programs will be used. All right, title and interest in and to the licensed programs and all related materials are and shall at all times remain the sole and exclusive property of the Licensor. Neither the licensed programs nor this Agreement may be assigned, sublicensed or otherwise transferred by Licensee without prior written consent from the Licensor.

TERM: This agreement shall remain in effect for fifteen (15) years from the date hereof, unless earlier terminated pursuant to the terms described herein. Licensor may terminate this agreement if Licensee fails to comply with any of the terms and conditions of the agreement. This agreement shall automatically terminate upon any act of bankruptcy by or against the Licensee or upon any assignment for benefit of creditors or in the event said Licensee dissolves its business.

LIMITED PERMISSION TO COPY LICENSED PROGRAMS: Licensee shall not copy, in whole or in part, any licensed programs which are provided by Licensor in machine readable form except (i) for use by Licensee on the designated CPU, (ii) to understand or modify the contents of such machine readable material, or (iii) for archival purposes. This applies to copies in any form and generated by any means including but not limited to direct machine readable copies, printed copies, disassemblies, and binary dumps. Licensee shall maintain appropriate records of the number and location of all copies that it may make of any licensed programs, and shall make them available to Licensor upon request thereof. The original, and any copy of the licensed programs, in whole or in part, shall at all times be the sole and exclusive property of Licensor. Licensee shall reproduce Licensor's following copyright notice on all copies of the licensed programs in any form, in whole or in part: 'Copyright © 1980 Technical Systems Consultants, Inc. Reproduction or publication in any form or format prohibited. Property of Technical Systems Consultants, Inc.' Use of copyright notice is not to imply that the licensed programs have been published.

PROTECTION AND SECURITY: Licensee shall not cause or permit disclosure of any licensed programs, in any form, to any person other than Licensee's or Licensor's employees without the prior written consent of Licensor. Licensee shall take all reasonable steps to safeguard the licensed programs so as to ensure that no unauthorized person shall have access to any of them, and that no unauthorized copy, in whole or in part, in any form, shall be made. Licensee expressly acknowledges that the licensed programs are confidential and proprietary property of Licensor and hereby agrees to receive and maintain same as a confidential disclosure.

TERMINATION: Within thirty (30) days after the date of expiration or earlier termination of any license under this agreement, Licensee shall, at Licensee's election either (i) return to Licensor all existing copies of such licensed programs and their related materials or (ii) furnish to Licensor evidence satisfactory to Licensor that the original and all copies of the licensed programs, in whole or in part, in any form, have been destroyed.

DISCLAIMER OF WARRANTY: The Licensor makes no warranties with respect to the licensed programs and it is further understood that the Licensor's sole obligation to the Licensee is to furnish maintenance as specified below.

LIMITATION OF LIABILITY: The foregoing warranties are in lieu of all other warranties express or implied, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. Licensee further agrees that Licensor shall not be liable for any lost profits, or for any claim or demand against Licensee by any other party, except as provided herein. In no event shall Licensor be liable for consequential damages, even if Licensor has been advised of the possibility of such damages.

MAINTENANCE: This binary software license shall include one year of maintenance for the licensed programs. The Licensee agrees that the extent of maintenance provided and the response time in providing maintenance shall be strictly at the discretion of Technical Systems Consultants, Inc. This maintenance shall include but not guarantee automatic correction of errors in code, correction of errors in documentation, updated versions of the covered software, and limited technical support. Furthermore, the Licensee must provide complete written documentation of any problems or errors encountered before Licensor will provide technical assistance in resolving same. This is not to imply that the problem will necessarily be resolved, though every reasonable effort will be made to correct problems in documented features of the licensed programs.

GENERAL: If any of the provisions, or portions thereof, of this agreement are found to be invalid by any court of competent jurisdiction, same shall not affect the remaining provisions of this agreement, which shall remain in full force and effect. The Licensee agrees to hold the Licensor harmless on all liability associated with Licensee's breach of this agreement including but not limited to all reasonable attorney's fees. This agreement shall be governed by the laws of the State of North Carolina in the United States of America and Licensee expressly submits to jurisdiction therein by process served by mail on Licensee at its below address. Licensee agrees to advise Licensor of all changes in Licensee's address. Licensor's main address is given below. This agreement constitutes the entire agreement between the parties with respect to the subject matter; all prior agreements, representations, statements, negotiations and undertakings are superceded hereby.
